13. 13.07.2011 Heard learned Counsel for the parties.

The report of the Registrar General dated 22.6.2011 has been perused.

The two bail applications relate to the year 2007. Subsequently the Court has put in place computerized software where details of all bail applications filed earlier arising out of a Police Station case can be made available to a Counsel before he files a bail application.

The matter is closed with the observation that in future learned Counsel of this Court in their professional interest shall adequately utilize this software to ensure that they are not put in an embarrassing position due to erroneous instructions of an over anxious litigant seeking bail.
